Student Testimonies at Madison Southern High School's  
Fields of Faith!

## Happy Thanksgiving!!!

We have much to be thankful for this year in the ways that God has blessed our family and ministry with FCA. We are so thankful for your prayers and support which allow us to share the love of Christ with athletes and coaches here in Central and Eastern Kentucky. Being able to use the platform of sports to share Jesus and see lives changed is something that we are truly thankful for.

Earlier this month, Madison Southern High School hosted their annual Fields of Faith outreach. There were lots of games, food, and fun for students and lots of people from the community who came out. However, the most important part of the night came during service the students planned. There was an awesome time of praise and worship, student testimonies and skits, and then a local pastor shared the Gospel. We are praising God that and the end of the night five students who were there accepted Christ!

We are also thankful for the opportunity that I (Andy) was able to have again this fall to do devotions for the EKU Football Coaching Staff. The day before every home game I was able to meet with the coaches for a time of prayer and a devotion. This month we wrapped up devotions for this season, but it was such a blessing to be able to pray with these men and share with them from the Word. Many seeds were planted and God is definitely working in the lives of the coaches. Please pray with us that we will have more

## Praise

- 5 Students accepted Christ at Madison Southern High School's annual Fields of Faith outreach!
- For the opportunity to meet with EKU students about steps they can take to grow in their walks with Christ.
- For safety traveling to Chicago to share at Bethel Community Church's missions conference and the opportunity to catch up with good friends.
- Both our kids are doing enjoying AWANA and doing a great job learning their Bible verses!

---

## Prayer

- For safety for our EKU student athletes who are traveling this week for Thanksgiving.
- For Maeven who is being tested for possible juvenile arthritis. Pray she will be able to see the Pediatric Rheumatologist soon.
- For safety for our EKU FCA Student Athletes that are traveling over Thanksgiving Break
- Andy had the opportunity to speak at a local private school that currently does not have an FCA presence. Pray that the doors for us to launch FCA on the campus would open.

opportunities to keep working with the coaching staff throughout the rest of the year and be able to reflect Christ well to them!

Erin and I could tell you so much more that God is doing in our area with FCA, but we don't have enough time. Thank you again for playing such a vital role through your prayer and support in allowing us to serve here. We are truly thankful for all the ways you have blessed our family!

As Basketball Season begins please pray for these coaches and athletes as we work with their teams!

Weekly FCA Huddle

## Family Update

November has been a busy month for our our family with lots of school events, field trips, and things going on at Church.

Judah had a major milestone this month as he participated in his kindergarten Veteran's day program. In the program Judah had a line of dialogue that he said about our National Anthem. He walked right up to the microphone and gave his line clearly in front of a couple hundred people. If you know Judah, you know with his issues and personality in general he hates being in front of a group of people, so this was major progress!

Maeven has been doing well this month and is ready for

Judah and Maeven at his  
Veterans Day Program

Thanksgiving break so that she can hang out with her cousins. Last month we asked you to be praying that we could get her into UK to see the pediatric rheumatologist.

We are still waiting for her to see the pediatric rheumatologist, but we were able to get her in to see the pediatric neurologist who is running some tests. Please pray that these test will come back with good answers and that we can also still get in to see the rheumatologist soon. Maeven hasn't had as much pain this month, but is still very uncomfortable and we need answers to know how to help her.

Erin and I are enjoying getting ready for all the Thanksgiving and soon Christmas festivities. During this season we are going to have many opportunities to be with many students, coaches, and family that don't know Christ. Please pray that God will give us the words to share and boldness to share them. Thank you again for loving our family!

## **Giving Tuesday!!!**

Next Tuesday is #GivingTuesday. After the madness of Black Friday and Cyber Monday, #GivingTuesday is an opportunity for people to partner with their favorite charities, non profits and ministries. If you are looking for a ministry to partner with on #GivingTuesday or one to encourage friends and family to partner with, please consider partnering with our family and FCA. Your partnership, whether a one time gift or a regular commitment, helps us reach the student athletes and coaches of Central and Easter Kentucky for Christ!

**Partner With Our Family & FCA Today!**
