

**FELLOWSHIP OF
CHRISTIAN
ATHLETES**

Approximately 100 college student-athletes joined us for our first FCA College Worship Night at UK on Monday.

Students Coming Together to Worship

In the midst of the March Madness season, you don't see too many college students from different schools coming together. Normally, this is when rivalries show up. However, on Monday night this was not the case. Student-Athletes from ECU, UK, Georgetown College, Transylvania University, and Midway college met at UK for an awesome time of praise and worship. It was so awesome to see these students praising God and also students sharing boldly what God has done in their lives. It was also, great to see students from the various schools meeting and making friends with their fellow athletes. Helping give them an even stronger support system of believers who are athletes like themselves is great. We had several students from ECU come with us and Alex Shelton who is on our leadership team shared his testimony with everyone. Below is a link where you can see some of the singing from our Worship night.

Prayer

- For students to sign up to come to FCA Leadership Camp with us this summer.
- For Andy as he is speaking at a 3rd-5th Grade Retreat at Youth Haven Bible Camp this weekend.
- For several ECU students who God is really working in their lives. Pray that they will fully surrender to Him.
- For our upcoming FCA Victory Banquet that we will be able to raise funds for camp and Bibles.
- For both our kids to get healthy and finish their school year well.

Praise

- For Erin having a great oncology appointment and not having to go back for 6 months.
- For 5 men who were trained to be character coaches in Clark County.
- For ECU student Alex Shelton, who has shared his testimony several times with high school FCA students over the past month.
- For Judah celebrating his 7th Birthday!

EKU FCA Students attending FCA College Worship Night

2019 Central KY FCA College Worship Night

During the month of March, I (Andy) have been busy speaking at schools and meeting with coaches and sponsors about sending kids to FCA Leadership Camp this summer. I've been able to hit most of the schools that we cover and pass out flyers for camp. Each student that takes a flyer, we have share their name and their parents' names and a phone number we can reach the parent or guardian at. Over the next month I will be calling the parents and guardians and talking to them about sending their students to camp. Please pray that many will be receptive and allow their students to come to camp where they will be trained on how to reach their campus and community for Christ.

One of my highlights though was that I was able to meet with several youth pastors and others involved in youth ministry in Winchester, KY for an FCA Character Coach training. These 5 men have a heart to reach the school athletic teams in Clark County for Christ and are going to serve as Character Coaches (team chaplains). We can't wait to see how God is going to use them to reach coaches and athletes for Christ!

Each day we see God doing more and more for in the lives of our athletes and coaches. Please pray for us to always stay focused on Christ and be bold in ever situation he places us in. As always thank you so much for your prayers and support!

Family Update

The sick bug hit our family hard during the Month of March. Maeven started out the month with the flu and ended up getting strep. Judah got strep twice and now is home sick from school with the flu. During that time Erin

Celebrating Judah's 7th

has been under the weather too. The good news is that everyone seems to be on the mend and hopefully as the weather improves so will our health.

Even though there were rough spots health wise we had a lot of fun this month too. On March 19th, Judah celebrated his 7th birthday. This was a big year for Legos and hot wheels, and you can't have a birthday without some good pizza too. Maeven has been continuing her rock climbing lessons at the Lee Co. Rec Center and is not only having a blast, but is becoming a really good climber too.

This month we had Erin's 4 month oncology follow up. She had an excellent appointment and is cleared to start moving her follow ups to ever 6 months! Thank you for praying for her and please keep doing so as cancer is always something there in the back of her mind. Also, thank you for loving and praying for our family!

Support Partner Opportunities

We are only a few weeks away from our annual Central Kentucky FCA Victory Banquet, This is our largest fundraiser of the year and helps us with many of our ministry expenses like camp scholarships, Bibles, and much more. The Victory Banquet is also a celebration of all that God has been doing through FCA in Central Kentucky over the past year. You will hear testimonies of athletes and coaches and ways that you can partner with us. If you would like to come or possibly host a table at this awesome event you still have time to sign up. Please contact us by this Friday, March 26th to reserve your spot.

Join us at the historic Memorial Coliseum on UK campus

Victory Banquet

A dinner and program to benefit Central KY FCA

Sunday, April 14, 2019

6:00 to 8:00 pm
